Subject: Franklin HS STOP Club Art Show

Thank you one more time for giving Peace Over Violence the opportunity to share with the Highland Park Neighborhood Council and community members our stories and the work that we do.

We facilitate violence prevention education presentations at Burbank MS and Franklin HS for parents and community members. The following sessions are:

- Wednesday September 10th at Franklin HS in the Parent Center from 9 to 10:30 a.m.
- Thursday September 11th at Burbank MS in the Parent Center from 8:30 to 10:00 a.m.

The crisis hotline number is 213.626.3393 and is available 24/7 with services in English, Spanish and American Sign Language, ASL.

Attached is a flyer for the upcoming art exhibition that youth from Franklin High School have created. It is happening this Saturday, September 13th from 7-9pm at the Art Grist in Highland Park. The show will feature pieces created by the students that highlight how they identify themselves, their community, and

their place in it. It will be part of the larger Highland Park Art Walk taking place that evening. The youth will also use this opportunity to have people vote for the Make A Choice campaign in the LA 2050 contest.

We implement a violence prevention education curriculum, In Touch With Teens, at Burbank MS, Nightingale MS and Franklin HS and my colleague Melodie Kruspodin supports a weekly leadership club called S.T.O.P. at Franklin.

I look forward to seeing you soon!

Fabiola.

To:

Good evening friends and supporters of Recycled Resources for the Homeless,

Recycled Resources & the NELA Homeless Coalition has been hard at work preparing for our goal of housing our chronic most at risk homeless neighbors beginning in 2015. In order for us to be successful in doing this we need the support of our entire community and to get this support we need to get their attention! We need to spread out and educate people about the number of chronically homeless folks in our community and about the lack of services for them. We need to gather resources and bring people to the table in order to work collaboratively with stakeholders, local businesses, community service providers, community leaders, and religious organizations. In order to do this, WE NEED YOU!

The goal of Recycled Resources for the Homeless is to improve the lives of our homeless neighbors and to support putting an end to chronic homelessness in Northeast Los Angeles, can you help us?

This weekend we will still host our monthly outreach and engagement event however we also will be canvassing local churches and businesses distributing information about our community education event on October 23rd.

CAN YOU HELP US?!

Saturday September 13th

10AM-2PM

Meet at 715 Nolden Street Highland Park 90042 - we will have coffee and donuts to get your blood pumping!

There are 2 Volunteer Opportunities

1. Outreach & Engagement with our homeless neighbors
2. Going out into the community and inviting local churches to attend our community education event

The outreach event entails volunteers forming groups and going out into our community, distributing hygiene lunches and clothing to our homeless neighbors and providing support and resources to them. This work is important as it allows us to gather vital information needed to advocate for local resources as well as letting our homeless neighbors know people care about them. More information can be found on our website. If you plan to attend PLEASE RSVP!

The community education volunteer will be approaching churches to distribute information about our October 23rd event and encouraging people to attend.

Also, if you haven't yet, please join both Recycled Resources for the Homeless & the NELA Homeless Coalition on Facebook to show your support and stay connected:

Recycled Resources: <https://www.facebook.com/RecycledResourcesforthehomeless>

<https://www.facebook.com/RecycledResourcesforthehomeless>

NELA Homeless Coalition: <https://www.facebook.com/nelahomelesscoalition> <https://www.facebook.com/nelahomelesscoalition>

Also, as the HOT summer season continues we can use your support to ensure our homeless neighbors stay hydrated and cool.

Donations of water would be very much appreciated.

If you are able to attend Saturday, consider bringing ice bottled waters and your cooler to offer a much needed cool resource to those in need.

Please respond to this email if you are able to join us, would like to donate something, or have any questions.

We are a nonprofit organization and all donations are tax deductible. We operate on a zero percent profit margin and are staffed 100% by volunteers.

We look forward to meeting you and hope you can join us. Please help us assist our 200+ NELA homeless neighbors.

Many thanks,

Rebecca Prine

6 CLARE GRAHAM & MORYORK: THE ANSWER IS YES at CAFAM

Tue Sep 9, 2014 11:02 pm (PDT) . Posted by: [asncaalert](#)

Beloved Los Angeles artist Clare Graham's first solo exhibition recreates his iconic MorYork Gallery inside the Craft & Folk Art Museum

CLARE GRAHAM & MORYORK:
THE ANSWER IS YES
September 14, 2014 - January 4, 2015

An opening reception for Clare Graham & MorYork: The Answer is Yes will take place on Saturday, September 13 from 6:00 - 9:00 p.m. The reception is open to the public for a \$12 admission fee. CAFAM members will be able to preview the exhibition on Saturday, September 13 starting at 12:00 p.m.

Supported in part by the Department of Cultural Affairs, City of Los Angeles and the National Endowment for the Arts.

LOS ANGELES -- The Craft & Folk Art Museum (CAFAM) presents the first solo museum exhibition of acclaimed Los Angeles craft artist Clare Graham.

Clare Graham & MorYork: The Answer is Yes highlights nearly 40 years of Graham's obsessive collecting habits integrated into a rich process of art production. The exhibition simulates Graham's tremendous 7,000 square foot studio and gallery MorYork, itself a living installation that represents the density of Graham's collection and artworks. The exhibition has been curated by Brooks Hudson Thomas and will be on view from September 14, 2014 through January 4, 2015.

Graham's compulsion to collect and categorize wayside materials into large-scale sculptural objects stems from his frugal childhood. The economics of the small Canadian town where he was raised necessitated reuse and dovetailed with Graham's innate desire to explore and chronicle the world of objects. Channeled by his study of sculpture at California State University Long Beach, Graham's practice has steered his fervent accumulation of "stuff" towards the construction of artworks made from singular materials. By Graham's own estimation, he has recycled close to 4 million buttons into his sculptures.

Graham's refined touch has transformed staggering quantities of dominoes into cabinet doors, soda-cans and their pop-tops into furniture, Scrabble tiles and puzzle-pieces into architectural forms, and buttons into organic sea-form chandeliers. With a fantastical design sensibility that resulted in a long and storied career as Disneyland's Senior Art Director, Graham is expert in creating otherworldly environments, which he demonstrates at the Craft & Folk Art Museum.

Aside from being Graham's own studio, MorYork has served as a gallery, performance space, and gathering point for other artists, makers, and cultural producers. Graham's collaborative impulses have also generated bodies of work with community groups such as L.A. Goal, an organization that provides services and art programs for adults with developmental disabilities. Through a grant from the National Endowment for the Arts, Graham and L.A. Goal artists have created new artworks for a portion of this exhibition.
